Become an Education Center Host Docent for Friends of Edgewood

Interact with Visitors

Education Center volunteers engage guests in a way that maximizes the visitors' enjoyment and understanding of the Center, its exhibits, and Edgewood Natural Preserve. Volunteers new to Edgewood participate with the support of docents who are familiar with Edgewood and its natural history.

Flexible Schedules

Each volunteer staffs the Center for 3.5 hours at least once per month, or as much as once per week, throughout the year. We make it easy for you to set up your commitments ahead of time, so you can participate on dates that work with your personal schedule.

Training

New volunteers learn on the job. Each new volunteer is paired with a host who is already familiar with the Education Center and Edgewood Natural Preserve. Volunteers also have access to supportive written and video information from which they can learn about the Ed Center, its exhibits, and enhancing their communication with guests.

Contact us now to learn how to become a host!
